Dear court i am filing this amended complaint which supercede the original complaint against Sgt sefman on 3/23/22 a complaint was filed against Sgt sefman, Sgt sefman was the main reason i almost died from covid virus and being beat to death by bloods gang members i sent already to the court the medical record of me having the covid virus and the statement of the incident that occurred with the bloods gang members the day and date of the situation is already on record with southern district court everything that happen. I told Sgt sefman as soon as i got to her jail i needed protective custody because of the situation with the iPhone charger at the last jail i was in she knew all about it how a dirty bad correction officer gave a bloods gang member a iPhone charger and i gave the iPhone charger to the Sgt that the bloods gang member wanted me to hold. I got to Woodburne Correctional 99 Prison Rd Po Box 10099 12788 i told Sgt sefman i need protective custody she told me no switch and put me with the other bloods gang members they knew about iPhone charger situation they tried to kill me and i caught the covid virus from someone where Sgt sefman put me this would of never happen if she put me in protective custody like i ask her when i first got to her jail this was a setup to try to kill me for giving other Sgt the iPhone charger that the dirty officer gave to the bloods gang member i told sefman i needed PC after i let her know about iPhone charger situation and she said no switch I am asking the defendant to pay diquan Booker \$80,988,000 for the 2 attempt murders on my life and failing to protect me.
